Mighty Max Acid Wheel Cleaner

CRS51501 1 Gallon 4/case

CRS51505 5 Gallon

CRS51555 55 Gallons

DESCRIPTION

CRS515 Mighty Max Acid Wheel Cleaner is a powerful acid-based formula. Professional strength wheel cleaner and brightener to be used on wire wheels, chrome and alloys. Instantly removes road film and oxidation on metals to restore luster. Will also remove brake dust.

OUTSTANDING FEATURES

- VOC/OTC Compliant
- Biodegradable
- Dissolves Lime & Oxidized Metal
- Removes Brake Dust Easy Rinsing

DIRECTIONS

DO NOT USE ON HOT SURFACES OR IN DIRECT SUNLIGHT. Use on one wheel at a time. For normal use; dilute 1:4 with water. For severe brake dust; dilute 1:2. For severely rusted chrome wheels; dilute 1:1. Allow CRS515 work for 1 minute, rinse well with water.
