Foaming Action Cleaner

CRS77003

18 oz aerosol 12/case

DESCRIPTION

Specially formulated with gentle cleaners which allow soiled areas to be treated while keeping them looking clean and attractive.

FEATURES AND BENEFITS

Thick foam lifts out and holds dirt and grime in suspension until vacuumed away. Use on spills right away, helps avoid hard-to-remove stains later. Saves time and labor of cleaning spots.

APPLICATIONS AND USES

For use in hotels, corridors, walk-off entrance mats, automobile cloth interiors, shops, all-natural or synthetic upholstery, velour rugs, and fabric.

DIRECTIONS FOR USE

Shake well before using. Vacuum carpet thoroughly. Invert and spray from 24 inches. With sweeping motion, cover area of about 4 square feet. With wet sponge mop or deck brush, work into carpet first across and then with nap. Repeat for all other areas. Let dry for at least 4 hours and then vacuum thoroughly. Wipe away overspray from walls and furniture before foam dries. Cover legs and casters to prevent rust spotting on carpet.
