

TORNADOR® S-100C CORDLESS HVLP SPRAY GUN

DESCRIPTION:

Tornador® The S-100C is designed for the professional detailer and home enthusiast looking to disinfect, sanitize, deodorize, and/or clean any vehicle, without having to worry about cords.

The S-100C uses High-Volume, Low-Pressure (HVLP) technology to evenly disperse the flow of any liquid with less risk of overspray. The S-100C can also handle viscous products like water-based dressings to make applying dressings easy no matter on the interior or exterior surfaces. Do detail work in less time with the 3 selectable spray patterns: vertical, round, and horizontal. The S-100C is ready to handle whatever the job entails!

PRODUCT SPECIFICATIONS:

- Cordless HVLP Spray Gun
- Rated power: 120W
- Rated voltage: 18V (MAX 20V)
- Rated speed: 30000 RPM
- Air flow: 160 L/Min
- Liquid flow: 100-200ml/min
- Weight: 1.6kg
- Battery capacity: 2000mAh
- Spraying distance: 200-250mm
- Width: 200-300mm
- Viscosity: 8-12 s
- Material pot capacity: 800ml
- 18v/2.0 Ah Li-Ion Rechargeable Battery
- Charger
- 800mL Container
- Funnel
- Pin
- User's Manual
- Warranty: 90 days against manufacturer's defects, includes battery.

WORKS GREAT WITH THE FOLLOWING CHEMICALS!
